Subject: WED July 3rd Agenda - CT meeting

All:

The agenda for the July 3 CT meeting attached. Note that the meeting is on Wednesday to accommodate the July 4th holiday. Gregg is taking over the agenda formation for the next several months (phew, & thanks for the breather!) so please send any items you have to him. For consistency, I will still be the one sending the agenda out.

Also provided are notes from the February Stakeholder meeting. I can't remember if they already went around to this group, but I don't think so. The stakeholder group was also sent these notes last week (Dave, is this fyi or are you asking for comments?).

See you next week.
